PROFILE

"As a dedicated front-end student with a strong passion for web development, I am pursuing a degree in Computer Science with a focus on front-end development. Proficient in HTML, CSS, and JavaScript, I have hands-on experience in building responsive web interfaces and have completed online courses in React and Git. Through my projects, including a collaborative e-commerce website and a personal portfolio, I have demonstrated my ability to create visually appealing and user-friendly interfaces. I possess a keen eye for detail, a problem-solving mindset, and a continuous drive for learning and keeping up with the latest front-end technologies. I am excited to leverage my skills and contribute to dynamic web development projects."
